

## What People are saying about the Loan Closet:

“This Program is so helpful.”

“Being able to borrow this equipment made my life so much easier.”

“This is a wonderful service.”

“Thank you so much for being here.”

If you are recovering from surgery or an accident, or would like to try something before you buy it, the Loan Closet is perfect for that. We loan durable medical equipment for up to 3 months. Some of the items require a deposit that can be paid by cash or check, the deposit is returned to you when you return the equipment. If you decide that the equipment you borrow is what you need long term we can provide information on where you can purchase the equipment.
